1 Introduction

NEU has decided to introduce inter voting system for their upcoming elections. The implemented system (GovLab) will allow voting in an easy, reliable and secure way. Therefore, any voter can participate with the maximum security measures, regardless of the technological knowledge of the voter. This document describes the basic steps to vote through the GovLab electronic platform.

2 Vote Using the Internet

2.1 Access the Voting Welcome Page

Start your internet browser and go to Nunavut Employees Union voting welcome page at https://www.securevote.ca/neu
