- Please ensure you have signed a union card to vote.
- If you don't have your Union Card, Members can sign for one virtually here: <https://psacunion.ca/sign-membership-card>

In order to ensure that members are fully informed prior to casting their ballot, the PSAC Constitution requires all members to attend an information session before they vote for a new collective agreement. These presentations allow members to cast their ballot once the presentation is over. Members will also have the opportunity to stay online after the presentation should they want to ask questions regarding the content of the tentative agreement.

This is an important opportunity to participate in a vote to ensure that the results truly reflect the wishes of members in this bargaining unit.
