ARTICLE 38 - EMPLOYEE ASSISTANCE PROGRAM

Purpose

38.01 To establish and outline the policy of the Employer in relation to employees whose alcohol and substance abuse is interfering with satisfactory work performance. Nothing in this policy replaces or negates the provisions of other policies on alcohol and substance abuse during working hours.

Policy

38.02 The Employer recognizes that alcohol and substance abuse are disorders, which are preventable and amenable to treatment. The objective of this policy is to encourage employees to recognize early symptoms and patterns of alcohol and substance abuse and to provide assistance to the process of rehabilitation to the afflicted individual. The benefits and consideration that are extended to employees during an illness may be made available to those persons affected by alcohol and substance abuse for authorized absence to undergo assessment and approved treatment and hospitalization.

38.03 The decision to undertake treatment is the responsibility of the employee. The decision to seek treatment will not affect job security. In cases where employees refuse to recognize their problem and persist in substandard work performance or poor attendance, disciplinary action may be taken and may result in dismissal.

38.04 The decision to accept or reject available counselling and treatment benefits is the responsibility of the employee.

38.05 The employee who has an identified alcohol and substance abuse problem must accept conditions related to the rehabilitation process.

38.06 The employee must accept the responsibility to take positive personal action, which may involve:

(a) referral for assessment;

(b) cooperation fully in any prescribed treatment and rehabilitation program; and
(c) active rehabilitation, which may take up to one (1) year or possibly longer and may initially involve care at a rehabilitation centre.

Summary

38.07 To ensure that the Employee Assistance Program will be effective, management and employees must recognize and adhere to the following principles:

(a) the Employer recognizes that alcohol and substance abuse are medical/psychological disorders that create social and personal problems;

Memorandum of Understanding #1 - Clothing Allowance

During the course of negotiations, the Union raised the issue that some employees may be unable to pre-purchase items referred to under Article 42.05 and seek re-imbursement from the Employer.

The Parties recognize that the present collective agreement language may not meet the interests of all parties, and agree that the matter will be referred to the Labour/Management Committee.

The Parties agree to enter into meaningful consultation to consider all possible resolutions, with a view to entering into an agreement to address these concerns.
